

Selection Methodology for NABH Assessor Course for NABH Standards for Hospitals

The shortlisted candidates have been informed over the E-mail last week.

The methodology used for selection of candidates for assessor course to be held at Hyderabad from 26th to 30th July 2017 was the following:

1. Candidates were segregated into Doctors, Nursing & Administrators after verifying that the minimum criteria are being met.
2. Stratified random selection was used to shortlist the candidates.
3. Total number of applications received till 15th July 2017 were 569.
