NABH secretariat timings are 9:00 AM to 5:30 PM from Monday to Friday.

We are available to take telephone calls from 10 am to 1 pm and 2 pm and 5 pm. Please check the landline extension corresponding to your program for reducing calls that are misdirected. For all healthcare organizations registered with us, we strongly recommend that all communication should be put into the "remark areas" of on line account to ensure transparency and traceability.
