NABH QUALITY CONNECT GRANTS 2023

NABH Quality Connect Grants 2023 program is for the healthcare quality professionals who are keen to establish new initiatives with innovative thinking and changemaking in the field of healthcare quality and patient safety.

Eligibility

NABH encourages applications from all of the following (but not limited to) clinical practitioners, healthcare/ hospital administrators, quality managers, innovators working in any NABH accredited hospital across India, public health experts in the domain of quality and patient safety and students/ interns pursuing MHA/ MBA (Hospital/ Healthcare management) etc.

Those who have already published their works in the field of healthcare quality and patient safety between 01/01/2022 to 30/06/2023 OR whose works are already ongoing on this subject OR who have innovative ideas to carry out research and publication on this subject can apply for this grant and submit their proposal.

Opportunities and Expectations

The selected candidates will be expected to produce at least one publication that impacts or highlights frugal innovation in the area of healthcare quality and patient safety in India. Innovative ideas in rural, frugal resource challenged settings will be given priority. The successful candidates are expected to disclose and acknowledge the grant in work when published.

Grant Amount

Grants ranging from **Rs. 25,000/-** to **Rs. 1,00,000/-** shall be provided by NABH to 25 selected projects which are selected for the program. The grant amount to the respective projects will be decided by the Screening Committee after submission of the proposal, shortlisting presentation and virtual interview.
