Virtual training on Pharmacovigilance for NABH Accredited Hospitals in India

Indian Pharmacopoeia Commission, National Coordination Centre (NCC) for Pharmacovigilance Programme of India (PvPI), has signed a Memorandum of Understanding with National Accreditation Board for Hospitals and Healthcare Providers (NABH) for effective implementation of Pharmacovigilance system in the country.

To train NABH-Accredited Hospitals staff on Pharmacovigilance, one day virtual Workshop-cum-Training programme is proposed to be held on **21st January 2022**.

This Training Programme intends to provide a platform for the NABH-Accredited Hospitals/ Non NABH-Accredited Hospitals to understand the systems and procedures involved in ADR-reporting and relevant practices. The resource persons from NABH, Indian Pharmacopoeia Commission, PvPI and representative from ADR monitoring centre will provide training during the workshop.

Registration procedure

- ❖ Registration Fee **Rs. 1000/-** per participant.
- ❖ Online registration is mandatory through following link: [NABH training Registration link](#)
- ❖ After successful registration, individual participant will receive the webinar link on their registered email Id.
- ❖ For any query, please contact on Email Id: training.nccpvpi@gmail.com
